

How can I access early intervention funding?

Autism Advisor Program (NSW)

The Autism Advisor Program provides support to families who have a child aged 0 to 6 years with a diagnosis of an Autism Spectrum Disorder.

Contact an Autism Advisor for support and information about:

- Early intervention funding
- Parent support groups
- Parent and carer workshops
- Playgroups
- Medicare reimbursements for therapy, diagnosis and assessment
- Resources and other support options

“The Advisor was very helpful and thorough and it was very refreshing to talk to someone who knew so much as I have had difficulty finding information in the past.”

“It was so lovely to talk to someone who was so caring and compassionate. On behalf of my family and from the bottom of my heart, I want to thank the Advisor for how she has helped us understand our options.”
